

Statement of Faith – Worship Team

1. What excites you about being involved in the worship ministry?

2. What is your background with other ministries?

3. What does your private worship life look like?

3. What is the role of a worship musician on the platform?

5. We need to be known by others to help us see and repent of how we don't speak and act like Jesus. Who is currently speaking into your life? When is the last time someone called you out on something?
